DRAINAGE PLUMBER INITIATIVE

Master Plumbers Association of SA Inc is currently involved in an initiative with SA Water for the mutual benefit of its customers and MPA Members.

This initiative involves SA Water referring customers an approved MPA Member as a potential plumber for clearing/cleaning blockages that have been identified within SA Water's consumer boundary.

This is a fantastic initiative for our Members, and will also be helpful to the general public.

Members who currently undertake Drain Cleaning work are welcome to apply for this initiative, as well as new Members, once approved.

****Please note that Members must be approved for this initiative prior to being included in this referral service.***

BUSINESS CONTRACT PACK

Including Terms and Conditions

Master Plumbers Association of SA Inc have put together a Business Contract Pack for Members to purchase, which has been specifically designed and prepared with a contracted lawyer.

This pack was created following a large amount of interest and requests from current Members.

The Business Contract Pack includes:

- Standard Terms and Conditions of Trade
- Quotation Form
- Credit Application Form
- Plus 1x 30 minute consultation with MPA

This pack is offered to Members at a discounted price, and is of fantastic value for any business.

For further information on the Business Contract Pack, please contact us on (08) 8292 4000.

TRAINING

Master Plumbers Association of SA Inc offers a range of training programs to the industry, which have been developed and designed specifically for the industry. Members of Master Plumbers Association of SA Inc are provided with discounts to attend our Training Programs.

Our Programs include:
