

New HiLux Awaken Your Unbreakable

Bolder look, smoother drive
and more powerful.

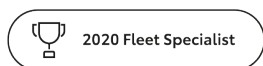

Pre-production model shown

New HiLux invites you to awaken your unbreakable and experience the legendary performance, durability and bold design. With more power¹ and more torque¹, the enhanced best-selling HiLux engine² is stronger and more capable than ever. An upgraded suspension system builds upon Hilux's legendary off-road capabilities, offering drivers superior comfort and handling even in the harshest conditions.

It's the ute built for real Aussie businesses. Whatever's around the corner, HiLux is ready for the challenge.
